

ROYAL CANADIAN ARMY CADET SUMMER TRAINING OPPORTUNITIES 2022 REGIONAL CADET SUPPORT UNIT (NORTHWEST)

GENERAL INFORMATION

Summer training is commonly referred to as summer camp by cadets. The hundreds of locally delivered Cadet Activities Program (CAP) Sites, along with the several Cadet Training Centres (CTCs) across Canada offer a variety of exciting and dynamic training courses.

Regardless of where a cadet goes for summer training, they are certain to have a fun and rewarding summer. Summer training offers, for some, an opportunity to travel and meet new people from across Canada while learning.

OPERATING IN A PANDEMIC ENVIRONMENT

Due to the ongoing COVID-19 pandemic, all cadet program training and activities may be modified to safely operate in a COVID-19 environment. Further to this, at any time during the planning or execution of training and activities; including 2022 summer training, courses, billets, and/or delivery methodology may have to be altered, delayed, or cancelled based on changes in the COVID-19 environment.

Planning is actively underway to deliver the courses listed in this information sheet, in-person at CAP and CTC sites in 2022. All Army Cadet Serials are posted in Fortress and open to all corps. Army Cadet Selections will be made by RCSU Northwest J5 Plans O (Army Cadets), Regional Training O (Expedition) and Region Training O (RDA) for music courses.

GREEN STAR CADETS

Cadet Activity Program - 1 (CAP-1)

Cadet Activity Programs (CAP) are decentralized summer opportunities that augment the corps program for all green star cadets. Experiential citizenship, fitness and Canadian Armed Forces (CAF) Familiarization activities will leverage CAF and community facilities to provide an elevated experience linked to the Cadet Program aims and objectives. CAP-1 is a 5-day day-camp activity designed for 12-13 year olds, intended to build confidence and facilitate meeting other cadets through participation as a member of a peer-lead team in fun, safe, challenging and well-organized activities. Where decentralized local training is not viable, some cadets may have the option to participate in a 5-day overnight-camp activity located in centralized locations throughout Northwest Region.

Prerequisites: Must be medically and physically fit, have completed green star training by 30 Jun.

RED STAR CADETS

Cadet Activity Program - 2 (CAP-2)

Cadet Activity Programs (CAP) are decentralized summer opportunities that augment the corps program for all green star cadets. Experiential citizenship, fitness and Canadian Armed Forces (CAF) Familiarization activities will leverage CAF and community facilities to provide an elevated experience linked to the Cadet Program aims and objectives. CAP-2 is a 12-day day-camp activity that includes a 3-day overnight component for 13-14 year olds, designed to build leadership and interpersonal skills, while fostering interest in future Cadet Summer Training (CTC) opportunities. Where decentralized local training is not viable, some cadets may have the option to participate in a 12-day overnight-camp activity located in centralized locations throughout Northwest Region.

Prerequisites: Must be medically and physically fit, have completed red star training by 30 Jun.

CAP Locations: Various communities throughout Northwest Region.

CAP serials and dates are to be published and announced in Fortress and on Sharepoint at a later date
